NATIONAL MONUMENTS AUTHORITY

MINISTRY OF CULTURE

GOVERNMENT OF INDIA

24, TILAK MARG, NEW DELHI-110001

Dt. 29th June 2017

D.O. No. 35-12A/NMA-2017

Dear *Sh. Shailendra Singh,*

30 JUN 2017

Please refer to your D.O. letter No. 10/28/2016-BE-I Dt. 23rd June 2017 addressed to Dr. Susmita Pande, Chairperson, National Monuments Authority on the subject of Ease of Doing Business in granting construction permits.

In this regard I would like to inform you that the National Monuments Authority has taken pro-active steps to ensure design and development of on-line single window system for granting construction permits with the functionality of a common integrated application for all internal and external agencies. The National Monuments Authority has already integrated its on-line portal with MCD and NDMC in Delhi and with MCGM in Mumbai. Apart from this, the National Monuments Authority has, through the Ministry of Urban Development, circulated the data structure of its web portal to 51 million plus cities, in order to extend the same facility to the ULBs in these 51 cities. Further, the National Monument Authority has received requests from the Govt. of Jharkhand as well as the City of Pune for integration of their on-line approval system with its web portal. One meeting in this regard has already taken place with the officials and the Service Provider of the Govt. of Jharkhand.

As suggested by you, we have already appointed Shri Amar Mudi, Director (Consultant) in National Monuments Authority as the nodal officer for backend integration for the common application for building plan approval. He is being supported by the team of NIC in the Ministry of Culture, headed by Ms. Pratibha Singh, who have developed the web portal of National Monuments Authority.

I would like to assure you that National Monuments Authority has taken all possible steps to ensure the success of this initiative in coordination with the Ministry of Urban Development and DIPP.

With *regards,*

Yours sincerely

Navneet
